

**Dr Mihailo Čanak**  
a r c h i t e c t

Rodjen 2. juna 1932 u Beogradu. Otac: Stevan (1899), Majka Olga (1906). Osnovnu školu i gimnaziju završio je u Beogradu. 1951 se upisao na Arhitektonski fakultet u Beogradu, gde je i diplomirao juna 1957 god. sa prosečnom ocenom 9.45. Magistrirao je 1975. na V Postdiplomskom kursu "Urbanizam" na Arhitektonskom fakultetu u Beogradu sa temom "Funkcionalni aspekti organizacije stana i njihov uticaj na formiranje stambenih struktura", a doktorirao 1984 god. na istom fakultetu sa temom "Vrednovanje kvaliteta u stambenoj izgradnji i stanovanju". Naučno zvanje Viši naučni saradnik stekao je 1985 god., a Naučni savetnik 1993 god. Državni ispit je položio 1962 god. Specijalistički kurs "Prefabrikacija u gradjenju" u organizaciji CSTB u Parizu, završio je 1967 god.

U septembru 1957 god. Zaposlio se u Institutu za ispitivanje materijala Srbije, gde je u periodu 1970-1986 bio u funkciji direktora Centra za stanovanje. 1986 prelazi u Institut za arhitekturu i urbanizam Srbije gde je na funkciji direktora do 1988. a zatim u istom institutu ostaje u funkciji naučnog savetnika do penzionisanja 1999 god. U periodu 1968-87 god. je permanentno član jugoslovenske delegacije u Grupi za gradjevinarstvo Komiteta za stanovanje, gradjevinarstvo i planiranje EEK UN u Ženevi. Na njegov predlog usvojen je i realizovan međunarodni istraživački projekat "Vrednovanje kvaliteta u stanovanju" u periodu 1982-87. Sa referatima je učestvovao na više domaćih i međunarodnih kongresa i seminara.

Od 1991 godine sa sinom Milošem Čankom, arhitektom otvara u Beogradu Biro za arhitektonsko projektovanje. Istraživanje i edukaciju "ARD" (Architectural Research & Design). Od 1983 godine organizuje i permanentno vodi poznati Pripremlni tečaj za studije arhitekture namenjen učenicima završne godine srednjih škola koji se usmeravaju na studije arhitekture. Član inženjerske akademije Srbije od 2002. Velika nagrada za arhitekturu Saveza arhitekata Srbije za 2005. Član Akademije arhitekture Srbije od 2006.

# Mihailo Čanak

Arhitekta Architect

Born on June 2<sup>nd</sup>, 1932, in Belgrade. Father Stevan (1899), mother Olga (1906). Graduated primary school and high school in Belgrade. Enrolled in the Faculty of Architecture in Belgrade in 1951, graduated in June, 1957, with average note 9.45. Got master's degree in 1975, at the 5<sup>th</sup> graduate course "Town Planning" at the Faculty of Architecture in Belgrade, with the thesis "Functional Aspects of the Organization of Apartments and their Influence on the Formation of Apartment Structures", got PhD degree in 1984, at the same faculty, with the thesis "Evaluation of Quality of Housing Construction and of Life in Apartments". Got the title of Senior Scientific Fellow in 1985, and of Scientific Advisor in 1993. Passed the State Examination in 1962. Graduated the specialized course "Prefabricated Building Construction" in Paris, in 1967.

Employed in 1957 in the Institute for Testing Materials of Serbia, where he was Director of the Housing Construction Center during the period 1970-1986. In 1986, joined the Institute for Architecture and Town Planning of Serbia, Director of that Institute until 1988. Stayed in the Institute as Scientific Advisor until retirement in 1999. During the time period 1968-1987 permanent member of the Yugoslav delegation in the Civil Engineering and Planning Group of the EEC of the UN in Geneva. His proposal for the international research project "Quality Evaluation in Housing" was adopted and implemented during the period 1982-1987. Presented reports at a number of Yugoslav and international congresses and workshops.

Since 1991 he opened, in Belgrade, together with his son Milos Canak, the Bureau for Architectural Design Research and Education "ARD" (Architectural Research and Design). Since 1983 organized and permanently managed the well known course for architectural studies for the students of final grade of high schools, who intend to study architecture. Member of Engineering Academy of Serbia since 2002. The Great Prize of the Serbian Union of Architects, 2005. Member of Serbian Academy of Architecture since 2006.

# ZAHVALNOST

Ovo su moji prijatelji i partneri sa kojima sam se, na zajedničkim zadacima, godinama ortački probijao kroz trnovite oblasti projektovanja, istraživanja i edukacije. Ovu radnu monografiju posvećujem njima...
